

June 21, 2011 Annual Golf Outing

This year we had a wonderful SACC Annual Golf Tournament. The event was held at Dearborn Country Club, Dearborn. Debbie and Dana Field sponsored SACC with the Club. 60 people signed up for the Golf Tournament and Dinner.

During the day we had a silent auction going in one of the rooms at the Club

The day started up with grey skies and rain. You could even hear a thunder in the distance. Before shotgun at noon the sky cleared up and the sun was shining. Everybody was at a very good mood and excited for the game. At the end we were all smiles and came in for an excellent dinner.

We thank SAAB of Troy for sponsoring a hole in one with a SAAB 9:3

The first place Winning Team, The SAAB of Troy team received beautiful awards. Prizes to the second place winner, team K. Johns, was also given out.

After the dinner we had an Auction with our own Urban Lundberg as the very popular Master of Ceremonies. All the Items were donated by members and Companies. Among all a signed Ice hockey puck, by the Redwings, signed hockey jerseys by Niclas Lidstrom and Thomas Holmstrom, framed signed pictures of Thomas Holmstrom and Igor Larianov, donated by Atlas Copco Tools & Assembly Systems, gift Cards for Haircuts from Fran Coys Salon and Spa, 2 fine bottles of wine donated by Global Science and Technology, a Gift Basket from Trader Joes, an outside Sound system and a drill donated by Robert Bosch LLC, a Foursome donated by Dearborn Country Club.
